TESTIMONIALS:

“Any woman-owned business enterprise that wants expert guidance, counsel and support in preparing its various applications and certifications for their woman owned business would be well advised to seek the help of Heather Cox and her team at Certify My Company.

She and they are terrific! Heather and Certify My Company performed well above our expectations.”

Cheryl Brunetti
Executive Chairwoman
RVM Enterprises, Inc.: Certified WBE

Diversifying Your Success

Understanding is Believing

Certify My Company makes the arduous process of becoming certified a seamless & painless process for all our clients by effectively managing the difficult variables involved.

We keep the process & all our clients' data private and secure.

Our team works to:

- Confirm certification eligibility
- Determine the right certification
- Alleviate the burden of assembling the application package

Your application is in good hands! We monitor your application from intake to certification.
