TESTIMONIALS:

“CMC promptly and seamlessly supported our non-certified suppliers. We appreciate their knowledge, professionalism and ease of engagement.”

Kenyatta Lewis
MGM Resorts International

“Understanding the certification process can be cumbersome for suppliers and CMC takes their time explaining the process and working closely with the supplier to ensure their application and supporting documents are in order. We continue to leverage CMC’s support as we identify suppliers that meet the certification criteria.”

Rondu Vincent
Formerly of Pfizer, Inc.

Diversifying Your Success

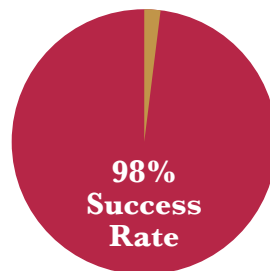

Certify My Company Service Offering

Certify My Company (CMC) is the comprehensive, consolidated service provider for Supplier Diversity programs looking to increase their reportable spend without increasing their supplier base by leveraging the suppliers they are currently doing business with.

- Increase in the amount of diversity spend that qualifies for ‘Billion Dollar Round Table’ consideration
- Get quick wins by focusing on current suppliers
- Increase the percentage of diverse spend with certified spend
- Increased confidence in the accuracy/validity of spend numbers being reported

Track Record of Success

CMC supports diversity initiatives of:

- Large global pharmaceutical companies
- Nationwide insurance companies
- Global entertainment companies
- Large retailers

Differentiators

CMC conducts an Intake Interview™ of the suppliers that have been identified as “certifiably” diverse to assess whether or not they meet certification requirements. We are the only diversity consultancy with in-house council and known nationally as the certification subject matter experts.
